Recyclable Items Accepted

at the Beaver Hill Disposal Site

The following items can be placed in the green bins for commingled recycling.

- Aluminum - Must be clean. Remove all non-aluminum parts and rinse clean. Foil, TV dinner trays, pop & beer cans.
- Tin Cans - Must be clean. Do not flatten. Lids may be left on can.
- Plastic containers - #1-7 bottleneck plastic bottles, water & juice bottles, milk jugs, laundry detergent jugs, shampoo & conditioner bottles, etc. Margarine, cottage cheese and yogurt tubs accepted. Must be rinsed. Remove & throw away caps, lids, spray pumps or other attachments. No need to remove label. Do not crush or flatten **#6 is not accepted**
- Recyclable Paper - Newspapers, Phone Books, Junk Mail, Magazines & Recyclable Paper – Do not use string or rope
- Cardboard - Flatten cardboard. NO wax coated cardboard. Cereal boxes accepted

These items must be separated from the commingled recycling.

- Glass - Any Color. Must be clean, but labels do not have to be removed. NO broken glass, pyrex, china, opaque, or window glass! Remove metal or plastic rings from bottle necks. NO lids, please.
- Flower Pots - Flower pots are picked up by the “master gardeners” or the general public. All sizes are allowable. Plastic, wooden and glass are all accepted. These pots are free to anyone for reuse.
- Motor Oil/Cooking Oil - The motor oil must be brought in clear, non-breakable (1-2 gallon size) containers with tight lids. Must not be mixed with any other liquid or solvent.
- Antifreeze - The antifreeze must be brought in clear, non-breakable (1-2 gallon size) containers with tight lids. Must not be mixed with any other liquid or solvent.
- Lead-Acid Batteries - Automobile, motorcycle, lawn equipment lead-acid batteries
- Rechargeable Batteries - Nickel Cadmium (Ni-Cd), Nickel Metal Hydride (Ni-MH), Lithium Ion (Li-ion) , Small Sealed Lead (Pb) weighting less than 2 lbs./1kg
- Cell Phones - all types
