Native American Longhouse Eena Haws

“The Native American Longhouse (NAL) Eena Haws represents the Indigenous people of the Americas and Pacific Islands. We strive to deconstruct colonial borders’ impact on Indigenous identities... while protecting and preserving the rights of Indigenous people, we provide a sense of home/community for Indigenous students that helps preserve their Indigenous identities... The NAL provides a source of support honoring the cultures of the first people of these lands...” –Excerpt from the website.
