At University of Portland, we believe that an education without a rich offering of extra-curricular activities and services is incomplete...Student clubs and organizations as well as student government offer opportunities for social interactions and leadership experiences. There are...programs on- and off-campus; opportunities to explore...assistance with job searches, strength and interest assessments, and career planning...” –Excerpt from their website

• University of Portland is a private college containing various Bachelor of Arts (BA) and Bachelor of Science (BS) degree.
