

**Confederated Tribes of Coos, Lower Umpqua and Siuslaw Indians (CTCLUSI)
Strategic Energy Plan Survey**

CTCLUSI is conducting a Strategic Energy Plan survey from Tribal Family Members (Age 18+) to gather information that will guide the development of long term Vision and Goals with regard to CTCLUSI's energy future. The plan is made possible by support from the National Renewable Energy Laboratory (NREL). Kindly respond to the following questions to the best of your ability:

Survey completed by. (Optional) _____ Date _____

1. Where do you estimate you consume the most energy? (e.g., heating, cooling, travel, etc.).

2. Name any energy related issues/concerns you have (e.g., cost, type available, reliability, etc.).

3. What is your vision for CTCLUSI's Energy future? What do you want to see regarding Energy for the tribe? (e.g., tribal utility, renewables, community micro-grid, etc.?)

4. What is your level of interest on being kept informed on the progress of the Strategic Energy Planning Process? What is the most useful way to do this? (E.g. email, text, flyer, website etc.)

5. Any other feedback?

Participants will be entered in a drawing to win some great Gifts.

Thank you for your participation!
