

TITLE 7- ENROLLMENT, COMMITTEES, ELECTIONS AND REFERENDUMS

CHAPTER 7-1 ENROLLMENT

7-1-1 Purpose and Authority

The purpose of this Code is to provide for the development and maintenance of the Membership Roll of the Confederated Tribes of Coos, Lower Umpqua and Siuslaw Indians (hereinafter Tribes). Authority for this Code is vested in the Tribal Council by Article III, Section 4, of the Constitution of the Confederated Tribes of Coos, Lower Umpqua and Siuslaw Indians, which was adopted on May 23, 1987, and approved by the Assistant Secretary of Indian Affairs, Department of the Interior, on June 23, 1987.

7-1-2 Findings

The Tribal Constitution provides for the terms upon which membership in the Tribes will be granted, forfeited, or denied and empowers the Tribal Council to adopt an ordinance establishing procedures for the processing of membership applications, the loss of membership, and the adoption of persons into the Tribes. Accordingly, the Tribal Council finds it to be in the best interest of all Members and Applicants to provide specific written rules and regulations governing the procedures to be used in determining Tribal membership.

Any Application for Enrollment must be proved to the satisfaction of Committee or the Tribal Council, as provided herein, by clear and convincing evidence.

- (b) Applicants shall file a completed Application for Enrollment, Family Tree Form, and any supporting documentation with the Enrollment Coordinator or her designee, as determined by the Chief Executive Officer.

The Enrollment Coordinator or her designee shall also maintain a record of any additional contacts with the Applicant.

(d) When an Application for Enrollment is received, the Enrollment Department shall stamp the application with the date it was received on the top right-hand corner of the application.

7-1-35 Paternity and Maternity

(a) An Applicant seeking enrollment and the individual through whom the Applicant claims eligibility for enrollment shall each submit to DNA tests to assist the Committee's determination regarding the Applicant's qualification for enrollment. If a DNA test administered pursuant to this Section results in a negative test, the sole means by which an Applicant may seek to prove eligibility is through a subsequent positive DNA test. DNA tests used for purposes of this CLUSITC 7-1-35 test for lineage between the Applicant and a lineal ancestor, not for genetic markers of tribal identity.

(b) When the individual through whom an Applicant claims eligibility for enrollment is deceased at the time of submission of the Application for Enrollment or the individual is living at the time of the submission of the Application for Enrollment but is unable or unwilling to submit to a DNA test, the Committee may:

(1) Require an alternate form of DNA testing, including but not limited to a siblingship test; and

(2) Require the Applicant to submit additional documentation proving Tribal parentage, including but not limited to affidavits confirming Tribal parentage, state adoption or other records, wills, probate records or any other information requested by the Enrollment Coordinator or Committee.

(c) The up-front cost of DNA tests required pursuant to this Section shall be paid by the Tribes. The Applicant will be required to reimburse the Tribes, in an amount established by the Chief Executive Officer, in the event the Applicant does not qualify for enrollment.

(d) A child who is conceived through Artificial Conception who has at least one Natural Parent who is a Tribal Member may be enrolled as a Member subject to compliance with all other requirements for membership in the Tribes.

(e) Except as provided in CLUSITC 7-1-35(f), when a child is conceived through Gamete Donation, the donor is not considered to be the Natural Parent of that child for the purpose of membership in the Tribes, regardless of DNA test results.

(f) Notwithstanding CLUSITC 7-1-35(e), if a Tribal Member elects to make a Gamete Donation to another Tribal Member, the resulting child is eligible for membership in the Tribes if the recipient and donor agree to acknowledge the Tribal heritage of the child. To qualify for enrollment pursuant to this CLUSITC 7-1-35(f), the recipient and the donor must contact the Enrollment Coordinator prior to the Gamete Donation and disclose the intended Gamete Donation, which will be recorded by the Enrollment Coordinator. The resulting child must still establish ancestral lineage through the use of DNA testing as provided in CLUSITC 7-1-35(a) in order to qualify for membership in the Tribes. When membership in the Tribes is established through this CLUSITC 7-1-35(f):

- (1) The enrolled child will be listed on public records as a descendant of the Intended Parents.
- (2) The enrolled child will be officially enrolled as a descendant of the Natural Parents.
- (3) The Enrollment Coordinator will keep a record of the actual genetic lineage of the enrolled child for future enrollment purposes.

7-1-36 Review of Applications for Enrollment

- (a) Review of an enrollment application shall not begin until the Application for Enrollment, the completed Family Tree Form, and DNA test results have been returned and date stamped received by the Enrollment Coordinator or her designee.
- (b) The Committee shall establish the nature and type of acceptable evidence for proving eligibility for membership in the Tribes, which shall include, but not be limited to: certified copies of court documents; state or federal records; hospital medical records; certified copies of birth certificates and marriage licenses; Family Tree Forms; affidavits of friends, neighbors, and/or tribal elder(s); family Bible records; and other genealogical information. Recognizing that there will be situations in which the safety of the Applicant or a Member may be at risk due to domestic violence, the Committee may accept evidence that has been provided under victim shield laws or applicable Tribal or federal law.
- (c) Upon receipt of a completed Application for Enrollment, the Enrollment Coordinator shall verify the information contained in the application, including the application, Family Tree Form, DNA test results, and supporting documentation. The Enrollment Coordinator shall make a written recommendation regarding the approval or denial of enrollment, along with a list of materials documenting the record in support, to the Committee. The Enrollment Coordinator shall denominate the application "Ready for Review" and present a recommendation and a list of the documents that support the recommendation of the Enrollment Committee at the next regularly scheduled quarterly meeting or at a special meeting of the Enrollment Committee called under CLUSITC 7-1-13(b).

(d) If the Enrollment Committee determines that an application lacks the information required in this Chapter, the Committee will consider the application incomplete and return the application to the Enrollment Coordinator. The Enrollment Coordinator shall notify the Applicant within fourteen (14) days by certified mail that the application is incomplete and state the reason(s) it is incomplete. If the Applicant fails to supply the requested information within sixty (60) days, the application is deemed withdrawn and the Applicant must submit a new Application for Enrollment or resubmit the previous application as required by the Enrollment Coordinator.

(e) In the event the Enrollment Coordinator or Committee needs further information at any time to facilitate their decision-making process about an application that is technically complete, the Applicant shall be notified by certified mail to provide that information within sixty (60) days or the application will be considered withdrawn and the Applicant must submit a new Application for Enrollment or resubmit the previous application as required by the Enrollment Coordinator.

(f) The Committee shall review the Application for Enrollment, Family Tree Form, DNA test results, any supporting documents, and the Enrollment Coordinator's recommendation. The Committee may vote to approve or disapprove the Applicant's enrollment, or the Committee may, by majority vote, cause the recommendation of the Enrollment Coordinator to be returned to the Enrollment Coordinator for further review and resubmission of the Application for Enrollment to the Committee for action at the Committee's next quarterly meeting.

(g) The Enrollment Committee shall, within ninety (90) days after submission by the Enrollment Coordinator, review and vote on the recommendation regarding the Application for Enrollment. If the Committee does not act on the application within the time provided, the Enrollment Coordinator shall, upon written request by the Applicant, cause the application to be set for hearing before the Enrollment Committee at a special meeting.

(h) If the Committee, by majority vote, determines that the Applicant should be denied enrollment, the Enrollment Coordinator shall present this finding and the reasons for the Committee's decision, in writing, to the Tribal Council at the next regularly scheduled Regular Tribal Council meeting for final action pursuant to CLUSITC 7-1-38.

(i) If the Committee, by majority vote, determines that the enrollment of the Applicant should be approved, the Committee recommendation for the Applicant's membership together with the Applicant's name, the Applicant's lineal descendant through whom he or she is claiming eligibility for membership, and information about Members' rights to protest, shall be published in the next edition of the Tribal Newsletter, and shall be posted in the Administrative Building, Tribal Hall, Outreach Offices, on the Tribes' website and the office of the Gaming Commission for twenty-eight (28) days.

7-1-37 Members' Right to Protest and Enrollment Committee's Consideration of Protests

- (a) Tribal Members shall have the right to protest the recommendation of the Committee approving an application and must file a written, signed protest with the Committee stating their reasons for believing that an Applicant is not entitled to enrollment. The protest must be filed with the Committee within twenty-eight (28) days after notice of the proposed enrollment is posted as described in CLUSITC 7-1-36(i).
- (b) If a protest is filed, the Committee, at a special meeting, shall reconsider the protested application(s), taking into consideration the information submitted in the protest. The review of a protest shall not delay the processing of the Committee's recommendations to the Tribal Council regarding other Applicants.
- (c) If the Committee finds a legal basis for the protest action that would preclude enrollment, the Committee shall provide this information as a part of the record to Tribal Council for final action.
- (d) If the Committee determines that the Applicant is eligible for membership despite the protest, then the Committee shall submit the Applicant's application to the Tribal Council for final action. A Tribal Member who has filed a protest against the Committee's recommendation for enrollment has no right of appeal.

7-1-38 Tribal Council Review of Applications for Enrollment

- (a) The Enrollment Committee shall make its recommendation to the Tribal Council about whether to approve or deny an Application for Enrollment at the next regularly scheduled Tribal Council meeting after the Enrollment Committee completes its review and evaluation of the Application for Enrollment in accordance with this Code.
- (b) In the event that the Tribal Council determines that an application lacks sufficient proof in support of enrollment, the Tribal Council may defer action on the application until additional proof is submitted by the Applicant within ninety (90) days. If the Applicant fails to act within that time period, the application is withdrawn by operation of law.
- (c) Prior to denying enrollment, the Tribal Council shall make written findings of fact and conclusions of law upon which the denial is based which may be kept confidential upon request of the Applicant.
- (d) When the Tribal Council denies, by a majority vote, enrollment of an Applicant, the Tribal Council shall adopt a resolution denying the Applicant's enrollment and the resolution shall constitute a final denial of enrollment. The Enrollment Coordinator shall notify the Applicant of the Tribal Council's decision by mail. In accordance with CLUSITC 7-1-131, the Applicant may appeal this decision to the Tribal Court under the process set forth in CLUSITC 7-1-132.

(e) The Enrollment Coordinator shall issue a Tribal identification card for each new Member.

7-1-40 Reconsideration

(a) An Applicant may file a petition with the Enrollment Coordinator, asking the Committee to reconsider a final denial of enrollment, if the Applicant has available for immediate presentation substantial, credible and new evidence supporting the Applicant's eligibility for membership in the Tribes. Any petition for reconsideration must be filed within one hundred twenty (120) calendar days of a final denial of enrollment, unless the Committee finds good cause to the contrary.

(b) Upon consideration of the new evidence, a finding by the Committee that substantial, credible and new evidence does not exist to reconsider an Application for Enrollment is a final decision not subject to any further appeal.

(c) If the Committee determines that the new evidence supports the Applicant's eligibility for membership in the Tribes and the Committee, by majority vote, determines that the enrollment of the Applicant should be approved, the Enrollment Coordinator shall publish this information in accordance with CLUSITC 7-1-36(i) and present this finding to the Tribal Council for final action in accordance with this Code.

7-1-41 to 7-1-50 Reserved for expansion.

Such children shall not be considered to be enrolled Members during this period.

(b) Proof of lineal descent may be provided to the Enrollment Coordinator before or after the time of birth. Newborn service benefits will not be provided until the Enrollment Coordinator approves the request.

(c) Parents or guardians of newborn children seeking newborn service benefits shall submit newborn children to DNA testing, in accordance with CLUSITC 7-1-35, within the first month after birth. Continuation of benefits through the first six (6) months of birth shall be contingent on the Tribes receiving a positive DNA test. A negative DNA test will result in the suspension of newborn service benefits. A parent or guardian who cannot reasonably obtain a DNA test within the first month after birth may apply to the Enrollment Coordinator for an extension of time. The application must state in detail the conditions that prevent the timely DNA test submission and the amount of additional time sought. Extensions may be approved in the sole discretion of the Enrollment Coordinator for a length of time that the Enrollment Coordinator deems to be appropriate under the circumstances.

(d) Newborn service benefits will cease on the later date of: (1) six (6) months after birth; or (2) six (6) months from the date stamp applied to the completed Application for Enrollment received under CLUSITC 7-1-34(d). Newborn service benefits may continue beyond six (6) months from the date stamp applied to the completed Application for Enrollment received under CLUSITC 7-1-34(d) up through the date of the resolution approving or denying membership pursuant to CLUSITC 7-1-38. If membership is denied, services shall cease on the date the Tribal Council denies membership pursuant to CLUSITC 7-1-38(b) and no newborn service benefits shall be provided during any reconsideration or appeal period. (b) The Tribal Council may, by majority vote, adopt honorary members into the Tribes. Honorary members shall not be eligible for Tribal services, shall not be eligible to have membership voting rights, and shall not be considered enrolled Members. In order to avoid misunderstandings and mistakes, honorary members shall not be assigned Roll numbers.

7-1-92 to 7-1-120 Reserved for expansion.

(c) The Committee shall cause the petition to be served upon the person whose disenrollment is sought by registered mail or by personal service. The Committee shall allow the person against whom the petition is filed not less than sixty (60) days nor more than one hundred eighty (180) days to file a written response to the claims of the Chief Executive Officer.

(e) At the hearing, all relevant evidence, written or oral, shall be considered by the Committee. The Chief Executive Officer shall have the burden of proving by preponderance of the evidence that the petition should be granted. The person whose disenrollment is sought may be represented by counsel of his or her choosing, at his or her own expense.

(f) Within thirty (30) days following the hearing, the Committee shall decide, by majority vote, on disposition of the Disenrollment Petition.

(g) The Enrollment Coordinator shall present the Committee's recommendation on the Disenrollment Petition to the Tribal Council at the next scheduled Tribal Council meeting for final action.

(h) Prior to disenrollment of a Member, the Tribal Council shall issue written findings of fact and conclusions of law which may be deemed confidential at the request of the Member.

(i) When the Tribal Council, by a majority vote, disenrolls a Member, the Tribal Council shall adopt a resolution and the resolution shall constitute a final action for purposes of this Code. The disenrolled person's name will then be removed from the Roll by resolution of the Tribal Council. In accordance with CLUSITC 7-1-131, the Applicant may appeal this decision to the Tribal Court under the process set forth in CLUSITC 7-1-132.

(j) If a Member is disenrolled due to having obtained enrollment by fraudulent action for which the disenrolled person is culpable, the Tribes shall have the right to recover the value of all Tribal benefits provided to the disenrolled person during the term of the person's enrollment with the Tribes.

7-1-122 Suspension of Tribal Benefits

(a) The Chief Executive Officer may, upon a finding by the Committee that good cause exists for a Disenrollment Petition, immediately suspend and hold all Tribal benefits otherwise available to a Member whose enrollment is challenged, except those benefits available to the Member under Tribal health programs, pending final disposition of the Disenrollment Petition. Notwithstanding the above, the Member may continue to reside in Tribal housing under the terms of a lease or other rental agreement pending final disposition of the Disenrollment Petition. The Chief Executive Officer shall notify the Member, Enrollment Coordinator, and Chief Financial Officer in writing of the suspension of Tribal benefits.
